

We are excited to introduce our beautiful new Tuscany album collection. This album bears some of the best design features available including: damage-resistant round corners, the tightest gutter seam available, true flush mounted layouts, cover embossing, and optional cameo cover.

This album is available in 20-60/72 page, upgraded in two page increments.

The Tuscany album has nearly seamless appearance of the center seam is between the two pages.

The standard cover is available in eight different colors. For a small upgrade real leather covers are available in Distressed Brown and Ebony Black.

The Tuscany comes with rounded corners but can be ordered with square corner as an option.

Embossing option: Gold, Silver, or Blind. (No additional charge)
